PORTABLE TOILET HIRE

PORTABLE TOILET HIRE

From portable toilets to urinals, disabled access toilets to showers, all delivered to your event ready to go!

At Brandon Hire Station we provide four different types of portable toilets for different needs and are suitable for every size of event and come fully equipped and ready for action. We offer a nationwide toilet hire service suitable for every requirement. This is backed with a delivery, collection and safe cleansing service to fit in with the most demanding of timetables.

HEATING & COOLING

Unlike the weather, Brandon Hire Station climate control systems are extremely reliable, providing predictable heating, cooling and ventilation for every event.

From large area space heaters to small electrical infra-red heaters, including heating for covered areas, large spot coolers to small industrial fans, we've got what you need when it comes to heating or cooling your event.

HEATING & COOLING HIRE

PEDESTRIAN & CROWD CONTROL

PEDESTRIAN & CROWD CONTROL

Keep people safe and socially distant by controlling crowds at events and in queues.

Perfect for various scenarios, our crowd control barriers will keep crowds in, or out, of specific areas at your event or show. Our pedestrian/crowd control barriers are available nationwide.

LIGHTING & POWER

The Brandon Hire Station range of lighting includes the latest in rechargeable LED technology and solar powered systems and ideal for large events or spot lighting in noise sensitive areas.

Our lighting systems feature long running fuel tanks, low emissions output or, by hiring linked tower lights, capable of being powered by mains supply or generator. From small disco generators to large events we can provide instant power for your event.

LIGHTING & POWER

SITE SAFETY & EQUIPMENT

SITE SAFETY & EQUIPMENT

Whether you need two-way radios, noise meters, fuel storage facilities, portable roadways or lifting and shifting equipment, Brandon Hire Station has just about everything you'll need to get your event up and running smoothly.

We understand the responsibilities events organisers have to face, which is why at Brandon Hire Station we provide a full range of site and safety equipment.
